

Lot 103 Hepher Road, Campbelltown, NSW

A rare offering of a large englobo land parcel of approximately 78,000 sqm. This is a great opportunity for industrial, manufacturing, warehouse, distribution or storage type businesses looking to take advantage of key transport nodes. The property is within walking distance of the Campbelltown railway station and just a few minutes drive to the entrance of the M5 freeway.

LOT NO	ASPECT	TOTAL AREA sqm. (ex GST)	PRICE LIST (ex GST)	COMMENTS
Lot 103	Fronts M5 Motorway	78,000	For sale or lease POA	Lot can be sub-divided to suit specific requirements.

Location

The site is located at the end of Hepher Rd, which runs off Johnson Rd, Campbelltown. It is opposite Grace Removals, and within close proximity to Campbelltown railway station and the Campbelltown CBD. The property is located approximately five minutes to the entrance to the M5 freeway and ten minutes to the intersection of the M5 / M7.

This information is correct as at 1 March 2010. Lot details are approximate and subject to change.
